PRODUCT DATA SHEET

Model: 105CE18_25

PLAIN CARBON ELECTRODES

American Beauty Replacement Electrodes use a proprietary electrographite blend which ensures excellent performance at high voltages, high current densities and long life. American Beauty Tools has invested heavily in both laboratory & field testing and believe our electrodes to be the best resistance soldering electrodes available on the market. Specific details regarding our engineered blend are a protected intellectual property.

TECHNICAL SPECIFICATIONS

Tip Length	4" in
Tip Diameter	.125 in
