

## Palm-Sized Brazing Hand-piece Model: 105358-SZ

### Product Overview

American Beauty offers the widest selection of resistance brazing handpieces in the world. Our hand pieces are designed and built to provide absolute performance in even the toughest environments. By generating heat instantaneously and right at the point of contact, you are able to easily handle the historically difficult brazing jobs.

### Features and Benefits

**Carbon block electrodes** can be easily notched/shaped, allowing the user to customize the handpiece to their specific application.
