

Model: 10588

1/2" DUAL PROBE STYLE HANDPIECE

American Beauty offers the widest selection of resistance soldering handpieces in the world. Our handpieces are designed and built to provide absolute performance in even the toughest environments. By generating heat instantaneously and right at the point of contact, you are able to easily handle the historically difficult soldering jobs.

FEATURES AND BENEFITS

Carbon block electrodes can be easily notched/shaped, allowing the user to customize the handpiece to their specific application.
