

100 Watt Infinitely-Variable Resistance Soldering Power Unit

Model: 105A3

Description

The backbone of any resistance soldering system is a high quality power unit. American Beauty's resistance power units are recognized industry-wide for their performance, reliability and safety. Common features include fail-safe devices to ensure ultimate user safety, flexibility to operate a variety of hand pieces, and our outstanding three-year warranty, guaranteeing the product to be free from manufacture defect and to work properly under normal operating conditions.

Features and Benefits

100 Watts of (2.6 VAC) Infinitely Variable Power permits precision soldering and avoids damage caused by thermal overshoot.

Heavy-Duty Aluminum case protects your investment for a lifetime.

Extensively tested for **CE & RoHS compliance**, ensuring the highest level of operator health & safety.

Tapered pin receptacles allow for quick interchange of hand pieces.

Technical Specifications
