1,800 WATT SELECTIVELY-VARIABLE RESISTANCE SOLDERING POWER UNIT

The backbone of any resistance soldering system is a high quality power unit. American Beauty's resistance power units are recognized industry-wide for their performance, reliability and safety. Common features include fail-safe devices to ensure ultimate user safety, flexibility to operate a variety of hand pieces, and our outstanding three-year warranty, guaranteeing the product to be free from manufacture defect and to work properly under normal operating conditions.

For Higher output Power Unite, there are THREE terminal bolts or receptacles. When attaching handpieces or accessories only two of these terminal connectors will be used.
