

Model: 105L441

DOUBLE CARBON ELECTRODE STYLE HANDPIECE

Our American Beauty Model 105L441 is a Fixed Dual Probe handpiece designed to withstand the rigors of intense soldering and desoldering jobs. This particular handpiece incorporates two **3/16"** diameter graphite carbon electrodes which offers both high heat and longevity. This popular handpiece is frequently used to desolder and solder auto electric parts such as stators and alternators as well as cable assemblies.
