

Model: 3158E-200

200 WATT HEAVY-DUTY ERGO IRON

Reaching a maximum tip temperature of 1,000°F, the American Beauty 200 Watt Ergo Iron (Model 3158E-200) is an industrial-duty soldering iron especially designed for professionals who depend on soldering for their livelihoods. Using a traditional stick-style soldering iron frequently causes wrist stress as the soldering iron has to be held at an awkward angle. The nearly 90 degree angle of the ergo iron allows the operator to use the soldering iron from a comfortable position, enabling them to focus on their work instead of their discomfort. *(Stand Included)* Great for Tin-Smith, copper, stainless steel and galvanized sheet metal, stained glass work and similar manufacturing or hobbyist and artisan projects.

ACCESSORIES

The following products can be used as Accessories for Model 3158E-200 featured on this page:

Model	Product Name
44C	Chisel Style Soldering Tip
44S	Screwdriver Style Soldering Tip
CS-ABKIT	Soldering Iron Maintenance Kit for 1/4" thru 9/8" Irons
CS-BS1	Brass Sponge Tip Cleaner
CS-PB50-3	Solder_Meter Bar_Lead Bearing
CS-PBF3	Solder_Meter Bar_PB Free
CS-TT2	Solid Sal Ammoniac Block
V3700	Voltage Controller for Soldering Irons & Pots

FEATURES AND BENEFITS

The **near 90 degree angle** in the soldering iron casing allows the operator to use the iron from an ergonomically comfortable position, reducing tension in the hand and wrist.

Ni-Chrome Compression Wound Heating Elements are proven to be the most reliable heating element for maintaining soldering temperature in production environments.

Paragon Iron-Clad Lead-Free Soldering Iron Tips Will consistently outperform and outlast ordinary soldering iron tips many times over. **Plug-style tip design** provides for superior heat transfer and easy cleaning.

Hardwood handle provides superior thermal and electrical insulating properties and durability. **Modular construction** allows for easy replacement of consumable parts allowing for tools to last for generations.

REPLACEMENT PARTS

The following products can be used as replacements for Model 3158E-200 featured on this page:

Model	Product Name
3919	Replacement Handle/Cord set for Heavy-Duty Irons
3933	Replacement Item_Set Screws
44D	Diamond Style Soldering Tip
9275-200	Replacement 200 Watt Compression-Wound Heating Element

TECHNICAL SPECIFICATIONS

Standard Tip Style	Diamond
Wattage	200 watts
AMP Draw	< 2 Amp
Connection Type	NEMA 5-15P
Maximum Temperature	1050 °F / 566°C
Stand included?	Yes
Available in a 220-240 VAC?	Yes, available upon request
Tip Diameter	.625 in
Tip Length	4.68 in / 11.89 cm
Product Width	4 in / 10.16 cm
Product Height	4 in / 10.16 cm
Product Weight	2.5 lbs / 1.13 kg
Package Weight	3.55 lbs / 1.61 kg
Country of Origin	US
Harmonization Code:	8515.11.0000
Cage Code	02105
RoHS Compliant	Yes
BS EN IEC 60335-1:2023+A11:2023	Yes
BS EN 60335-2-45:2002+A11:2023	Yes
WEEE Compliant	Yes
CE Certified	Yes
Understanding Tip Measurements	Explanation
Warranty Policy	Details
User Manual	User Manual

SIMILAR PRODUCTS

The following products are related (similar model but different specifications, etc.) to Model 3158E-200 featured on this page:

Model	Product Name
3158-200	200 Watt, 5/8" Heavy-Duty Soldering Iron
3158X-250	250 Watt, 5/8" Heavy-Duty Soldering Iron
3158XE-250	250 Watt Heavy-Duty Ergo Iron
A29206	200 Watt, 5/8" Heavy-Duty Soldering Iron
A29256	250 Watt, 5/8" Heavy-Duty Soldering Iron
A29306	300 Watt, 5/8" Heavy-Duty Soldering Iron
A29406	400 Watt, 5/8" Heavy-Duty Soldering Iron

APPLICATIONS

Users of this product have stated that they use it for several jobs which include but are not limited to:

1. Fabrication of counter tops out of sheet metal
2. Soldering Leaded glass construction & Leaded glass lamp repair
3. Soldering artisan projects, including Copper Art, up to large sizes
4. Fabrication of miscellaneous parts
5. Soldering filter screens at their seams
6. Soldering chase top flashings

END-OF-LIFE INSTRUCTIONS

In an effort to reduce waste and comply with WEEE directive, please do not dispose of product. All American Beauty Tools are serviceable and can be repaired and/or replaced. Please contact manufacturer to make arrangements.
