

## Replacement Handle/Cord set for Heavy-Duty Irons

Model: 3919

### Description

All American Beauty Soldering tools are built to last for generations, however, from time to time you'll need to replace certain components. If your old cord set was cut on the work site or your handle cracked when the soldering iron was dropped, simply order this part and you'll be back up and running in no time.

### Features and Benefits

**Hardwood handle** provides superior thermal and electrical insulating properties and durability.

We offer a Repair Service if you're too busy to replace your soldering iron's old handle and cordset.
