PRODUCT DATA SHEET

Model: A3158X-250

250 WATT SOLDERING IRON W. CHISEL STYLE TIP

American Beauty heavy-duty irons are ideal for heavy soldering jobs and production-line environments. Created by compression winding a special Ni-Chrome heating alloy onto a steel spool, all elements demonstrate an unsurpassed heat capacity and outstanding durability. Protective casings cut from a single block of steel are strengthened with multiple heat treatments and precision brazed for optimal strength and efficiency. (*Stand Included*)

TECHNICAL SPECIFICATIONS

Stand included?	Yes
Available in a 220-240 VAC?	Yes, available upon request
Country of Origin	US
Harmonization Code:	8515.11.0000
RoHS Compliant	Yes
IEC 60335-1, Edition 5.1, 2013-12	Yes
IEC 60335-2-45, Edition 3.2, 2012-01	Yes
WEEE Compliant	Yes
CE Certified	Yes
Understanding Tip Measurements	Explanation
Warranty Policy	Details

FEATURES AND BENEFITS

Ni-Chrome Compression Wound Heating Elements are proven to be the most reliable heating element for maintaining soldering temperature in production environments.

Paragon Iron-Clad Lead-Free Soldering Iron Tips consistently outperform and outlast ordinary soldering iron tips many times over. **Plug-style tip design** provides for superior heat transfer and easy cleaning.

Hardwood handle provides superior thermal and electrical insulating properties and durability.

Modular construction allows for easy replacement of consumable parts allowing for tools to last for generations.

REPLACEMENT PARTS

The following products can be used as replacements for Model A3158X-250 featured on this page:

Model	Product Name
44C	Chisel Style Soldering Tip
9275X-250	Replacement 250 Watt Compression-Wound Heating Element

SIMILAR PRODUCTS

The following products are related (similar model but different specifications, etc.) to Model A3158X-250 featured on this page:

Model	Product Name
3158X-250	250 Watt, 5/8" Heavy-Duty Soldering Iron

END-OF-LIFE INSTRUCTIONS

In an effort to reduce waste and comply with WEEE directive, please do not dispose of product. All American Beauty Tools are serviceable and can be repaired and/or replaced. Please contact manufacturer to make arrangements.
