

Solder_Meter Bar_PB Free Model: CS-PBF3

Product Overview

American Beauty has sourced our solders through trusted industry partners to ensure that only the finest tin and other metals are used when making solders. Reclaimed, recycled or scrap materials are never used in any solders sold by American Beauty Tools. And we naturally certify that all production lots are prepared using "NON-CONFLICT" mineral concentrates purchased through Electronic Industry Citizenship Coalition (EICC) sources who have documented their compliance with the pertinent regulations.

Features and Benefits

Specialized blend with higher shear strength and lower melt temperature than standard industry lead-free solders.

3/8"x3/8" Square, 14.75" length

Technical Specifications

Solder Content Breakdown	97.25%Sn, 2%Sb, 0.375%Cu, 0.375%Ag
Melting Range	419F - 452F
Package Weight	.4 lbs / 0.18 kg
Country of Origin	US
Harmonization Code:	8003.00.0000
RoHS Compliant	Yes
Safety Data Sheets	Download
Warranty Policy	Details
