

**Model:
PE12T-36-36T**

**REPLACEMENT SOLDER
POT ELEMENT**

250 Watt Hand-crafted Replacement heating element for Esico Triton solder pots 12T, 36 and 36T. Esico Triton solder pots are constructed to endure the worst that you can throw at them. A full array of replacement items are available so that you can extend the life of your solder pot by performing routine maintenance versus purchasing a whole new unit. Esico Triton incorporates a custom wound ni-chrome ceramic heating disc heater.
