PRESS-TO-HEAT HANDPIECE

Esico Triton offers a wide variety of resistance soldering handpieces to meet the needs of several types of applications around the world. Our handpieces are designed and built to provide absolute performance in even the toughest environments. By generating heat instantaneously and right at the point of contact, you are able to easily handle the historically difficult soldering jobs.

TECHNICAL SPECIFICATIONS

Product Length	7-1/4 in
Product Width	2 in / 5.08 cm
Product Height	1 in / 2.54 cm
Product Weight	4 oz lbs / 1.81 kg
Country of Origin	US
Cage Code	02105
Harmonization Code:	8515.11.0000
RoHS Compliant	Yes
BS EN IEC 60335-1:2023+A11:2023	Yes
BS EN 60335-2-45:2002+A11:2023	Yes
WEEE Compliant	Yes
CE Certified	Yes
Warranty Policy	Details
User Manual	User Manual

FEATURES AND BENEFITS

Carbon block electrodes are standard and can be easily notched/shaped, allowing the user to customize the handpiece to their specific application. Wire electrode tips are also available for reaching those inaccessible places.

A uniquely designed handpiece This lightweight hand-held electrical resistance soldering tool uses its pliers' action to supply instant heat, making jobs easier, quicker and cleaner than traditional irons

Comfortable ergonomic design This handpiece features an integrated thumb switch to tightly control the power cycle, creating heat in the work instantly for fast and efficient soldering.

Molded phenolic housing For electrical and thermal insulation, providing protection from heat over long periods of operation.

REPLACEMENT PARTS

The following products can be used as replacements for Model R20595 featured on this page:

Model	Product Name
R10397	Replacement Electrodes, Carbons

ACCESSORIES

The following products can be used as Accessories for Model R20595 featured on this page:

Model	Product Name
CS-FX2	Flux_2oz Jar
CS-PBF1	Solder Tube
HS-B	Heat Sink - Alligator Clip
HS-C	Heat Sink - Alligator Clip w. Barrel
SS-8	Solder Sucker (3 oz)

SIMILAR PRODUCTS

The following products are related (similar model but different specifications, etc.) to Model R20595 featured on this page:

Model	Product Name
R23801	Press-to-heat Soldering System
R23802	Press-to-heat Soldering System w. Extras

END-OF-LIFE INSTRUCTIONS

In an effort to reduce waste and comply with WEEE directive, please do not dispose of product. All American Beauty Tools are serviceable and can be repaired and/or replaced. Please contact manufacturer to make arrangements.
