

Solder Sucker (3 oz)
Model: SS-8

Description

Solder Suckers are a basic tool for removal of solder. Used in conjunction with our desoldering-braid, one can easily remove and clean away unwanted solder.

Features and Benefits

3oz bulb provides extra 'vacuum' than smaller solder suckers.

Nylon tip withstands contact with molten solder pads for intended purpose of removal. (Do not submerge in solder bath)

Replacement tips available for purchase upon request.
